How to overcome intellectual disability stigma

 3:30 PM - 4:15 PM

Abstract document

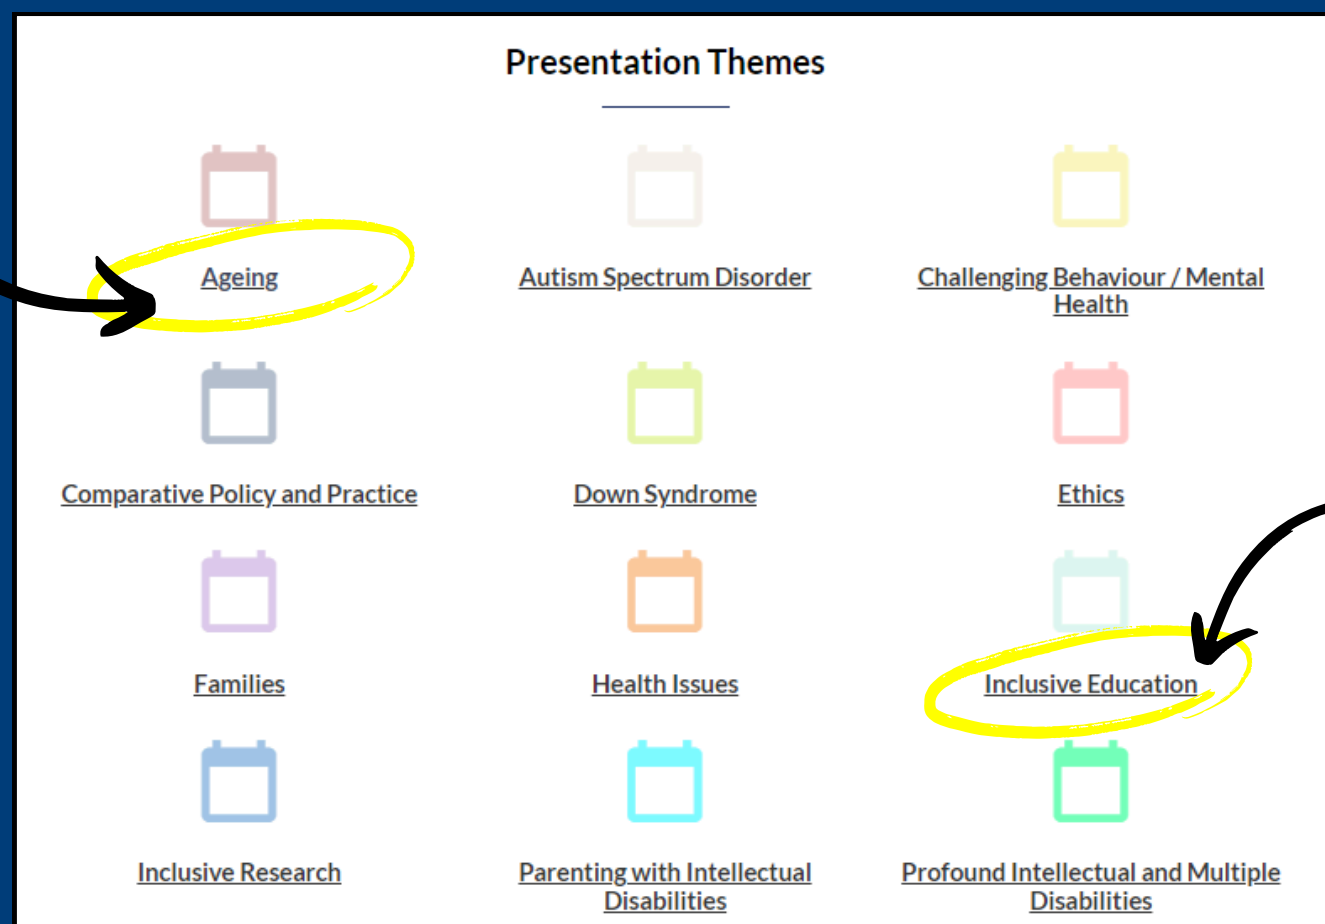

Recent decades have seen many positive changes in public attitudes and in increasing the inclusion of people with intellectual disabilities and their options for leading self-determined lives. Yet, all too often, children and adults with intellectual

SIRG GUIDES

We've created some documents that are specific to the SIRG groups. These include all the Individual Spoken Word Presentations, Symposium Presentations & Roundtables for the SIRG theme.

These are available as a downloadable on the Program tab on the website.
